Re: Additional INSET Day - Monday 9th June 2025

Tuesday 20th May 2025

Dear Parents/Carers,

I am writing to let you know about an additional INSET day this academic year. This will be on Monday 9th June 2025 and as such children are not to attend school on this day. Teaching and support staff will be on site engaging in training and planning activities.

As an update, the school is set to grow again in September and as such there has been considerable recruitment taking place in the last months. I am pleased to report that Additional Science, Mathematics, English and Computer Science teachers have already been recruited and are set to start in September 2025.

Leaders at the school continue to respond to the areas highlighted by the recent OFSTED report and these areas will be the focus of the staff training.

If you have any questions, concerns, or would like further information regarding the additional INSET Day, please do not hesitate to contact our Reception team, who will be happy to support you.

Thank you for your continued support and understanding.

Kind Regards,

Paul Averis
Principal
