**RE: Return to BOA Digital and changes to school timetable**

Dear Parents and Carers,

I hope you are having a restful summer break.

As the new Principal at BOA Digital Technologies Academy, I am genuinely excited to welcome our students and families to the new academic year. BOA Digital is a thrilling place to be a student: a specialist academy where creativity, curiosity and technology come together every day. I can't wait to see what our students create this year.

One of my first priorities as Principal will be to improve our communication with families—making it clearer, more timely and more two-way. Over the first half term we will look to explore how these improvements can be implemented as quickly and efficiently as possible. Please can I ask that you ensure we have your up-to-date contact details, so you don't miss important messages.

A reminder that our start-of-term arrangements are as follows:

- Students in Years 7 and 10 should arrive at 9:00am on **Wednesday 3<sup>rd</sup> September**
- Students in Year 7, 8, 9 and 10 should arrive at 9:00am on **Thursday 4<sup>th</sup> September**

I would also like to make you aware that there have been some small tweaks to the school day. This does **not** alter students' start or finish times. Instead, it ensures greater consistency and equity across the timetable for subject teaching.

See timetable on following page.
